Dm
The autumn chill that wakes me up
Bb
You loved the amber skies so much
F
Long limbs and frozen swims
C
You'd always go past where our feet could touch
Dm
And I complained the whole way there
Bb
The car ride back and up the stairs

F Bb
Asked you to write it down for me
F
Should've kept every grocery store receipt
C
'Cause every scrap of you would be taken from me
Gm Bb
Watched as you signed your name Marjorie
F
All your closets of backlogged dreams
C
And how you left them all to me

Gm Bb
What died didn't stay dead
F
What died didn't stay dead
C
You're alive, you're alive in my head
Gm Bb
What died didn't stay dead
F
What died didn't stay dead
C
You're alive, so alive

Gm Bb
And if I didn't know better
F C
I'd think you were singing to me now
F Bb
If I didn't know better
F C
I'd think you were still around
F Bb
I know better
F C
But I still feel you all around
F Bb
I know better
F C
But you're still around
(F Bb F C)
