tom:

Intro: **E** **G**

E **E**
Once upon a time, the planets and the fates
E
And all the stars aligned
E
You and I ended up in the same room
E
At the same time

E **E**
And the touch of a hand lit the fuse
E
Of a chain reaction of countermoves
E
To assess the equation of you
E
Checkmate, I couldn't lose

Dbm7 **A2**
What if I told you none of it was accidental?
B
And the first night that you saw me
E **B**
Nothing was gonna stop me
Dbm7 **A2**
I laid the groundwork and then, just like clockwork
B
The dominoes cascading in the line
E
What if I told you I'm the mastermind?
A2
And now you're mine
Dbm7
It was all by design
B **A2**
'Cause I'm a mastermind

E **E**
You see, all the wisest women had to do it this way
E **E**
'Cause we were born to be the pawn of every lover's game

E **E**
If you fail to plan, you plan to fail
E
Strategy sets the scene for the tale
E
I'm the wind and I'm free, flowing sails

In the liquor of our cocktails
Dbm7 **A2**
What if I told you none of it was accidental?
B
And the first night that you saw me
E **B**
I knew I wanted your body?
Dbm7 **A2**
I laid the groundwork and then, just like clockwork
B
The dominoes cascading in the line
E
What if I told you I'm the mastermind?
A2
And now you're mine
Dbm7
It was all my design
B **A2**
'Cause I'm a mastermind

E
No one wanted to play with me as a little kid
E
So I've been scheming like a criminal ever since
A
To make them love me and make it seem effortless
E
Is this the first time I feel the need to confess?
Abm **A2**
And I swear, I'm only cryptic and Machiavellian
Dbm7
'Cause I care

A2
So I told you none of it was accidental
B
And the first night that you saw me
E **B**
Nothing was gonna stop me
Dbm7 **A2**
I laid the groundwork and then, saw a wild smirk
B
On your face, you knew the entire time
E
You knew that I'm a mastermind
A2
And now you're mine
Dbm7
Yeah, all you did was smile
B **A2**
'Cause I'm a mastermind

[Final] **E**
