tom:

Intro: **E** **G**

E **E**
Once upon a time, the planets and the fates

E
And all the stars aligned

E
You and I ended up in the same room

At the same time

E **E**
And the touch of a hand lit the fuse

E
Of a chain reaction of countermoves

E
To assess the equation of you

Checkmate, I couldn't lose

Dbm **A2**
What if I told you none of it was accidental?

B **E**
And the first night that you saw me

E **B**
Nothing was gonna stop me

Dbm **A2**
I laid the groundwork and then, just like clockwork

B **E**
The dominoes cascading in the line

E
What if I told you I'm the mastermind?

A2
And now you're mine

Dbm
It was all by design

B **A2**
'Cause I'm a mastermind

E **E**
You see, all the wisest women had to do it this way

E **E**
'Cause we were born to be the pawn of every lover's game

E **E**
If you fail to plan, you plan to fail

E
Strategy sets the scene for the tale

E
I'm the wind and I'm free, flowing sails

In the liquor of our cocktails

Dbm **A2**
What if I told you none of it was accidental?

B **E**
And the first night that you saw me

E **B**
I knew I wanted your body?

Dbm **A2**
I laid the groundwork and then, just like clockwork

B **E**
The dominoes cascading in the line

E
What if I told you I'm the mastermind?

A2
And now you're mine

Dbm
It was all my design

B **A2**
'Cause I'm a mastermind

E
No one wanted to play with me as a little kid

So I've been scheming like a criminal ever since

A
To make them love me and make it seem effortless

Is this the first time I feel the need to confess?

Abm **A2**
And I swear, I'm only cryptic and Machiavellian

Dbm
'Cause I care

A2
So I told you none of it was accidental

B **E**
And the first night that you saw me

E **B**
Nothing was gonna stop me

Dbm **A2**
I laid the groundwork and then, saw a wild smirk

B **E**
On your face, you knew the entire time

E
You knew that I'm a mastermind

A2
And now you're mine

Dbm
Yeah, all you did was smile

B **A2**
'Cause I'm a mastermind

[Final] **E**
