Intro: C

C C
Once upon a time, the planets and the fates

C
And all the stars aligned

C
You and I ended up in the same room

At the same time

C C
And the touch of a hand lit the fuse

C
Of a chain reaction of countermeasures

C
To assess the equation of you

Checkmate, I couldn't lose

Am7 F2
What if I told you none of it was accidental?

G
And the first night that you saw me

C G
Nothing was gonna stop me

Am7 F2
I laid the groundwork and then, just like clockwork

G
The dominoes cascaded in a line

C
What if I told you I'm the mastermind?

F2
And now you're mine

Am7
It was all by design

G F2
'Cause I'm a mastermind

C C
You see, all the wisest women had to do it this way

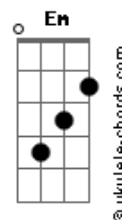

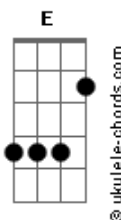

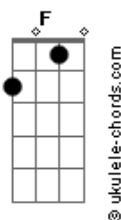

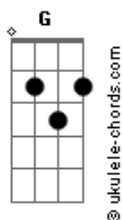

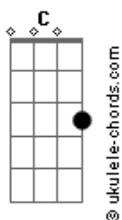

C C
'Cause we were born to be the pawn in every lover's game

C C
If you fail to plan, you plan to fail

C
Strategy sets the scene for the tale

C
I'm the wind in our free-flowing sails

Acordes

And the liquor in our cocktails

Am7 F2
What if I told you none of it was accidental?

G
And the first night that you saw me

C G
I knew I wanted your body?

Am7 F2
I laid the groundwork and then, just like clockwork

G
The dominoes cascaded in a line

C
What if I told you I'm the mastermind?

F2
And now you're mine

Am7
It was all my design

G F2
'Cause I'm a mastermind

C
No one wanted to play with me as a little kid

So I've been scheming like a criminal ever since

F
To make them love me and make it seem effortless

This is the first time I feel the need to confess

Em F2
And I swear, I'm only cryptic and Machiavellian

Am7
'Cause I care

F2
So I told you none of it was accidental

G
And the first night that you saw me

C G
Nothing was gonna stop me

Am7 F2
I laid the groundwork and then, saw a wild smirk

G
On your face, you knew the entire time

C
You knew that I'm a mastermind

F2
And now you're mine

Am7
Yeah, all you did was smile

G F2
'Cause I'm a mastermind
