

Taylor Swift - Midnight Rain

tom:

C
Rain

He wanted it comfortable, I wanted that pain **C**
 He wanted a bride, I was making my own name **G**
 Chasing that fame, he stayed the same **Am**
 All of me changed like midnight **F**
 (**C G Am**)

F
 My town was a wasteland
C
 Full of cages, full of fences **G**
 Pageant queens and big pretenders **Am**
 But for some, it was paradise **F**
 My boy was a montage **C**
 A slow-motion, love potion **G**
 Jumping off things in the ocean **Am**
 I broke his heart 'cause he was nice
 He was sunshine, I was midnight
 Rain

He wanted it comfortable, I wanted that pain **C**
 He wanted a bride, I was making my own name **G**
 Chasing that fame, he stayed the same **Am**
 All of me changed like midnight

F
 It came like a postcard
C
 Picture perfect shiny family
 Holiday peppermint candy **Am**

But for him, it's every day **F**
 So I peered through a window **C**
 A deep portal, time travel **G**
 All the love we unravel **Am**
 And the life I gave away **F**
 'Cause he was sunshine, I was midnight rain **C**

He wanted it comfortable, I wanted that pain **G**
 He wanted a bride, I was making my own name **Am**
 Chasing that fame, he stayed the same
 All of me changed like midnight **F**
 Rain

He wanted it comfortable, I wanted that pain **C**
 He wanted a bride, I was making my own name **G**
 Chasing that fame, he stayed the same **Am**
 All of me changed like midnight

F
 I guess sometimes we all get
C
 Just what we wanted, just what we wanted
G
 And he never thinks of me
Am
 Except for when I'm on TV
F
 I guess sometimes we all get
C
 Some kind of haunted, some kind of haunted
G
 And I never think of him
Am
 Except on midnights like this
 -Midnights like this, midnights like this-

[Final] **C G Am C G Am**
