C G D
 You were in college working part-time, waiting tables
 C G D
 Left a small town, never looked back
 C G D
 I was a flight risk, with a fear of falling
 C G D
 Wondering why we'd bother with love, if it never lasts

C G D
 I say can you believe it
 C G D
 As we're lying on the couch
 C G D
 The moment I can see it yes, yes
 C G D
 I can see it now

C G
 Do you remember when we were sitting there by the water
 D Em D
 You put your arm around me for the first time
 C G
 You made a rebel of a careless man's careful daughter
 D Em D C
 You are the best thing that's ever been mine

C G D
 Flash forward and we're taking on the world together
 C G D
 And there's a drawer of my things at your place
 C G D
 You learn my secrets and you figure out why I'm guarded
 C G D
 You say we'll never make my parent's mistakes

C G D
 We got bills to pay
 C G D
 We got nothing figured out
 C G D
 When it was hard to take yes, yes
 C G D
 This is what I thought about

C G
 Do you remember when we were sitting there by the water
 D Em D
 You put your arm around me for the first time

C G
 You made a rebel of a careless man's careful daughter
 D Em D
 You are the best thing that's ever been mine
 C G
 Do you remember all the city lights on the water
 D Em D
 You saw I started to believe for the first time
 C G
 You made a rebel of a careless man's careful daughter
 D Em D C G D
 You are the best thing that's ever been mine
