

# Taylor Swift - Mirroball / Epiphany

tom:  
 I want you to know  
 I'm a mirrorball  
 I'll show you every version of yourself tonight  
 I'll get you out on the floor  
 Shimmering beautiful  
 And when I break, it's in a million pieces

[Primeira Parte]

Hush, when no one is around, my dear  
 You'll find me on my tallest tip-toes  
 Spinning in my highest heels, love  
 Shining just for you  
 Hush, I know they said the end is near  
 But I'm still on my tallest tip-toes  
 Spinning in my highest heels, love  
 Shining just for you

Something med school did not cover  
 Someone's daughter, someone's mother  
 Holds your hand through plastic now  
 Doc, I think she's crashin' out  
 And some things you just can't speak about

With you, I serve, with you  
 I fall down, down  
 Watch you breathin'  
 Watch you breathin' out, out

With you, I serve, with you  
 I fall down, down

Watch you breathin'  
 Watch you breathin' out, out  
 Only twenty minutes to sleep  
 But you dream of some epiphany  
 Just one single glimpse of relief  
 To make some sense of what you've seen

Only twenty minutes to sleep  
 But you dream of some epiphany  
 Just one single glimpse of relief  
 To make some sense of what you've seen  
 Make sense of what you've seen

And they called off the circus  
 Burned the disco down  
 When they sent home the horses

And the rodeo clowns  
 I'm still on that tightrope

I'm still trying  
 Everything to get you laughing at me  
 And I'm still a believer

But I don't know why  
 I've never been a natural  
 All I do is try, try, try  
 I'm still on that trapeze

I'm still trying  
 Everything to keep you looking at me  
 Because I'm a mirrorball  
 I'm a mirrorball

And I'll show you every version  
 Of yourself tonight
