

# Taylor Swift - Miss Americana And The Heartbreak Prince

Tom: B

m  
Intro: G A G A

You know I adore you, I'm crazier for you  
Than I was at sixteen, lost in a film scene  
Waving homecoming queens, marching band playing  
I'm lost in the lights  
American glory faded before me  
Now I'm feeling hopeless, ripped up my prom dress  
Running through rose thorns, I saw the scoreboard  
And ran for my life (Ah)

G  
No cameras catch my pageant smile  
Bm A  
I counted days, I counted miles  
G  
To see you there, to see you there  
It's been a long time coming, but

G Bm  
It's you and me, that's my whole world  
A  
They whisper in the hallway, "She's a bad, bad girl" (Okay)  
G Bm  
The whole school is rolling fake dice  
A  
You play stupid games, you win stupid prizes  
G Bm  
It's you and me, there's nothing like this  
A  
Miss Americana and The Heartbreak Prince (Okay)  
G Bm  
We're so sad, we paint the town blue  
A G  
Voted most likely to run away with you

Bm  
My team is losing, battered and bruising  
A  
I see the high fives between the bad guys  
G  
Leave with my head hung, you are the only one  
A  
Who seems to care  
Bm  
American stories burning before me  
A  
I'm feeling helpless, the damsels are depressed  
G  
Boys will be boys then, where are the wise men?  
A  
Darling, I'm scared (Ah)

G  
No cameras catch my muffled cries  
Bm
