

Taylor Swift - Nothing New (feat. Phoebe Bridgers)

tom:
 [Primeira Parte]
 They tell you while you're young
 Girls, go out and have your fun
 Then they hunt and slay the ones
 Who actually do it
 Criticize the way you fly
 When you're soaring through the sky
 Shoot you down and then they sigh and say
 She looks like she's been through it
 [Pré-Refrão]
 Lord, what will become of me
 Once I've lost my novelty?
 [Refrão]
 I've had too much to drink tonight
 And I know it's sad, but this is what I think about
 And I wake up in the middle of the night
 It's like I can feel time moving
 How can a person know everything at eighteen
 But nothing at twenty-two?
 And will you still want me
 When I'm nothing new?
 How long will it be cute
 All this crying in my room?
 When you can't blame it on my youth
 And roll your eyes with affection
 And my cheeks are growing tired
 From turning red and faking smiles
 Are we only biding time
 'Til I lose your attention?
 [Pré-Refrão]
 And someone else lights up the room?

Acordes

People love an ingénue
 [Refrão]
 I've had (I've had)
 Too much to drink tonight
 How did I go from growing up to breaking down?
 And I wake up (wake up)
 In the middle of the night
 It's like I can feel time moving
 How can a person know everything at eighteen
 But nothing at twenty-two?
 And will you still want me
 When I'm nothing new?
 [Ponte]
 I know someday I'm gonna meet her
 It's a fever dream
 The kind of radiance you only have at seventeen
 She'll know the way and then she'll say she got the map from me
 I'll say I'm happy for her
 Then I'll cry myself to sleep
 Oh woah ohh, oh woah ohh, oh, oh
 [Refrão]
 I've had (I've had)
 Too much to drink tonight
 But I wonder if they'll miss me once they drive me out
 And I wake up (wake up)
 In the middle of the night
 It's like I can feel time moving
 How can a person know everything at eighteen
 But nothing at twenty-two?
 And will you still want me
 Will you still want me?
 Will you still want me?
 When I'm nothing new?
