

# Taylor Swift - Our Last Night

Tom: Gb

(com acordes na forma de D )  
 Capotraste na 4ª casa  
 (capo 4ª casa)

(intro 2x) D A Em G

D A  
 We were standing in an empty room  
 Em G  
 The moonlight was falling  
 D A Em G  
 You were holding my hand when the car pulled up for you  
 D A  
 And I could have spent a life with you  
 Em G  
 But those days were over  
 D A Em G  
 You were calling my name when your face faded from view  
 Em G D A  
 And wasn't it you who told me the sun would always chase the day  
 Em G  
 And wasn't it you who told me:

(refrão)  
 D A Em G  
 Angels fly in the air tonight  
 D A Em G  
 Saying wasn't it just like swimming out on the lake?  
 D A Em G  
 And stars collide and the air's alive  
 D A Em  
 Or was it just like those promises that you made  
 G D  
 On our last night?

D A  
 I remember waking up with you  
 Em G  
 The days doing nothing  
 D A Em G  
 You meant more to me than I think you ever knew.  
 D A  
 But you were gonna be a doctor, movie star  
 Em G  
 A poet at a Nobel seminar  
 D A Em G  
 I hope the world never tore that out of you

Cause wasn't it you who told me the sun would always chase the day  
 Yeah wasn't it you who told me:

(refrão)  
 D A Em G  
 Angels fly in the air tonight  
 D A Em G  
 saying wasn't it just like swimming out on the lake?  
 D A Em G  
 And stars collide and the air's alive  
 D A Em  
 Or was it just like those promises that you made  
 G D  
 On our last night?

(bridge)  
 Em G  
 And what ever happened to the things you loved  
 D A  
 And the songs we played, and the indian days  
 Em G D  
 Whatever happened to the things you gave away?  
 A Em G D  
 Like Harold and Maude singing  
 A Em G D  
 Like Harold and Maude singing  
 ( A Em G D ) (2x)

D A  
 I was waving as you drove away  
 Em G  
 The sunlight was falling  
 D A Em  
 You were writing backwards in a dusty window pane

(refrão)  
 D A Em G  
 Angels fly in the air tonight  
 D A Em G  
 Saying wasn't it just like swimming out on the lake?  
 D A Em G  
 And stars collide and the air's alive  
 D A Em  
 Or was it just like those promises that you made  
 G D A Em  
 On our last night?  
 G D A Em  
 On our last night?  
 G D A Em  
 On our last night?
