Capo na 4ª casa  
(capo 4ª casa)

(intro 2x) D A Em G

D A  
We were standing in an empty room  
Em G  
The moonlight was falling  
D A Em G  
You were holding my hand when the car pulled up for you  
D A  
And I could have spent a life with you  
Em G  
But those days were over  
D A Em G  
You were calling my name when your face faded from view  
Em G D A  
And wasn't it you who told me the sun would always chase the day  
Em G  
And wasn't it you who told me:

(refrão)  
D A Em G  
Angels fly in the air tonight  
D A Em G  
Saying wasn't it just like swimming out on the lake?  
D A Em G  
And stars collide and the air's alive  
D A Em  
Or was it just like those promises that you made  
G D  
On our last night?

D A  
I remember waking up with you  
Em G  
The days doing nothing  
D A Em G  
You meant more to me than I think you ever knew.  
D A  
But you were gonna be a doctor, movie star  
Em G  
A poet at a Nobel seminar  
D A Em G  
I hope the world never tore that out of you

Cause wasn't it you who told me the sun would always chase the day  
Yeah wasn't it you who told me:

(refrão)  
D A Em G  
Angels fly in the air tonight  
D A Em G  
saying wasn't it just like swimming out on the lake?  
D A Em G  
And stars collide and the air's alive  
D A Em  
Or was it just like those promises that you made  
G D  
On our last night?

(bridge)  
Em G  
And what ever happened to the things you loved  
D A  
And the songs we played, and the indian days  
Em G D  
Whatever happened to the things you gave away?  
A Em G D  
Like Harold and Maude singing  
A Em G D  
Like Harold and Maude singing  
( A Em G D ) (2x)

D A  
I was waving as you drove away  
Em G  
The sunlight was falling  
D A Em  
You were writing backwards in a dusty window pane

(refrão)  
D A Em G  
Angels fly in the air tonight  
D A Em G  
Saying wasn't it just like swimming out on the lake?  
D A Em G  
And stars collide and the air's alive  
D A Em  
Or was it just like those promises that you made  
G D A Em  
On our last night?  
G D A Em  
On our last night?  
G D A Em  
On our last night?
