

Taylor Swift - Ours

Tom: C

(com acordes na forma de Capostrate na 5ª casa G)
Intro: G Em C

Elevator buttons and morning air
Strangers' silence makes me wanna take the stairs
If you were here we'd laugh about their vacant stares
But right now, my time is theirs

Seems like there's always someone who disapproves
They'll judge it like they know about me and you
And the verdict comes from those with nothing else to do
The jury's out, but my choice is you

So don't you worry your pretty little mind
People throw rocks at things that shine
And life makes love look hard
The stakes are high
The waters rough
But this love is ours

You never know what people have up their sleeves
Ghosts from your past gonna jump out at me
Lurking in the shadows with their lip gloss smiles
But I don't care, cause right now you're mine

And you'll say don't you worry your pretty little mind
People throw rocks at things that shine

And life makes love look hard
The stakes are high
The waters rough
But this love is ours

And it's not theirs to speculate If it's wrong and,
your hands are tough but they are where mine belong and,
I'll fight their doubt and give you faith with this song for you..

Cause I love the gap between your teeth
And I love the riddles that you speak

And any snide remarks from my father about your tattoos will be ignored
Cause my heart is yours

So don't you worry your pretty little mind
People throw rocks at things that shine
And life makes love look hard

So don't you worry your pretty little mind
People throw rocks at things that shine
But they can't take what's ours
They can't take what's ours

The stakes are high
The waters rough
But this love is ours
