

Taylor Swift - Red

Tom: G

(com acordes na forma de Capotraste na 4ª casa Intro: Eb)

Lovin' him is like, drivin' a new Maserati

Down a dead end street

Faster than the wind, passionate as sin

Ended so suddenly

Loving him is like, tryin' to change your mind

Once you're already flying through the free fall

Like the colors in autumn so bright

Just before they lose it all

Losing him was blue, like I'd never known

Missing him was dark grey, all alone

Forgetting him was like trying to know somebody

You never met

But loving him was red

Re ee ed, re ee ed, re ee ed

Lovin' him was red

Re ee ed, re ee ed, re ee ed

Touching him was like, realizing all you ever wanted

Was right there in front of you

Memorizing him was as, easy as knowin' all the words

To your old favorite song

Fighting with him was like tryin' to solve a

Crossword and realizing there's no right answer

Regretting him was like wishing you never found love

But love could be that strong

Losing him was blue, like I'd never known

Missing him was dark grey, all alone

Forgetting him was like trying to know somebody

You never met

But loving him was red

Re ee ed, re ee ed, oh red, re ee ed

Burnin' red, re ee ed, re ee ed

Re ee ed

Remembering him comes in flashbacks and echos

Tellin' myself it's time now gotta let go

But moving on from him is impossible

When I still see it all in my, head

And burning red

Burning was reeeeed

Oh losing you was blue, like I'd never known

Missing him was dark grey, all alone

Forgetting him was like tryin' to know somebody

You never met

Cause loving him was red

Yeah, yeah, red

Oh Burning reeeeeeeed

And that's Why he's spinnin' 'round in my head

Cant stop turnin', burnin' red

Yeah, yeah

His love was like, drivin' a new Maserati

Down a dead end street.
