

Taylor Swift - Robin

tom: [Intro] C F G F

C F G F
 Long may you reign
 You're an animal, you are bloodthirsty
 Out window panes talking utter nonsense
 You have no idea
 Am Strings tied to levers
 F Slowed-down clocks tethered
 G All this showmanship
 F C Am F
 To keep it for you in sweetness
 G C Am F
 Way to go, tiger
 G C Am F
 Higher and higher
 G C Am
 Wilder and lighter
 F G
 For you
 (C F G F)
 C F
 Long may you roar
 G
 At your dinosaurs
 F
 You're a just ruler
 C F G
 Covered in mud, you look ridiculous
 F

And you have no idea
 Am Buried down deep and out of your reach
 G
 The secret we all vowed
 F C Am F
 To keep it from you in sweetness
 G C Am F
 Way to go, tiger
 G C Am F
 Higher and higher
 G C Am
 Wilder and lighter
 F G
 For you
 Em
 You got the dragonflies above your bed
 G
 You have a favorite spot on the swing set
 You have no room in your dreams for regrets
 Em
 (You have no idea)
 F
 The time will arrive for the cruel and the mean
 G
 You'll learn to bounce back just like your trampoline
 But now we'll curtail your curiosity
 C Am F
 In sweetness
 G C Am F
 Way to go, tiger (Way to go, tiger)
 G C Am F
 Higher and higher (Higher and higher)
 G C Am
 Wilder and lighter
 F G
 For you
