

Taylor Swift - Say Don't Go

tom:
E (forma dos acordes no tom de D)
Capostrate na 2ª casa

I've known it from the very start
We're a shot in the darkest dark

Oh no, oh no, I'm unarmed
The waiting is a sadness

Fading into madness
Oh no, oh no, it won't stop

I'm standing on a tightrope alone
I hold my breath a little bit longer
Halfway out the door, but it won't close
I'm holding out hope for you to

Say: Don't go
I would stay forever if you
Say: Don't go

Why'd you have to lead me on?
Why'd you have to twist the knife?
Walk away and leave me bleeding, bleeding?
Why'd you whisper in the dark
Just to leave me in the night?
Now your silence has me screaming, screaming

(Say) Say: (Don't) don't (go) go
I would stay forev?r if you
(Say) Say: (Don't) don't (go) go
(Say, say, say, say)

Now I'm pacing on shaky ground
Strike a match, then you blow it out
Oh no, oh no, it's not fair
'Cause you kiss m? and it stops time
And I'm yours, but you're not mine
Oh no, oh no, you're not there

I'm standing on the sidewalk alone
I wait for you to drive by
I'm tryna see the cards that you won't show

I'm about to fold unless you

(Say) Say: (Don't) don't (go) go
I would stay forev?r if you
(Say) Say: (Don't) don't (go) go

Why'd you have to lead me on?
Why'd you have to twist the knife?
Walk away and leave me bleeding, bleeding?
Why'd you whisper in the dark
Just to leave me in the night?
Now your silence has me screaming, screaming

(Say) Say: (Don't) don't (go) go
I would stay forev?r if you
(Say) Say: (Don't) don't (go) go
(Say, say, say, say)

Why'd you have to (why'd you have to)
Make me want you? (Make me want you?)
Why'd you have to (why'd you have to)
Give me nothing back?
Why'd you have to (why'd you have to)
Make me love you? (Make me love you?)
I said: I love you (I said: I love you)
You say nothing back

Why'd you have to lead me on?
Why'd you have to twist the knife?
Walk away and leave me bleeding, bleeding?
Why'd you whisper in the dark
Just to leave me in the night?
Now your silence has me screaming, screaming

(Say) Say: (Don't) don't (go) go
I would stay forev?r if you
(Say) Say: (Don't) don't (go) go
(Say, say, say, say)

But you won't, but you won't, but you won't
I would stay forever if you say: Don't go
But you won't, but you won't, but you won't
