It's strange to think the songs we used to sing  
The smiles, the flowers, everything... is gone  
G D Em C  
Yesterday I found out about you  
Em C G D Em C  
Even now just looking at you... feels wrong  
Em C G  
You say that you'd take it all back, given one chance  
D C D  
It was a moment of weakness and you said yes

Em C  
You should've said no, you should've gone home  
D G  
You should've thought twice before you let it all go  
D Em C  
You should've know that word, bout what you did with her  
D  
Would get back to me...

Em C  
And I should've been there, in the back of your mind  
D G  
I shouldn't be asking myself why  
D Em C A  
You shouldn't be begging for forgiveness at my feet...  
C D  
You should've said no, baby and you might still have me  
( Em C D G Em C D )

G D  
You can see that I've been crying  
Em C G D Em C  
And baby you know all the right things... to say  
G D Em C  
But do you honestly expect me to believe  
G D Em C

We could ever be the same  
Em C G  
You say that the past is the past, you need one chance  
D C D  
It was a moment of weakness and you said yes

Em C  
You should've said no, you should've gone home  
D G  
You should've thought twice before you let it all go  
D Em C  
You should've know that word, bout what you did with her  
D  
Would get back to me...

Em C  
And I should've been there, in the back of your mind  
D G  
I shouldn't be asking myself why
