

# Taylor Swift - So It Goes

Tom: B

m <sup>G</sup>  
 See you in the dark, All <sup>A</sup> eyes on you, my magician  
<sup>G</sup> All eyes on us, you make everyone disappear, and  
<sup>G</sup> Cut me into pieces gold cage, hostage to my feelings  
<sup>G</sup> Back against the wall, trippin', trip-trippin' when you're gone  
  
<sup>G</sup> 'Cause we breakdown a little, but when you get me alone, it's so simple  
<sup>G</sup> 'Cause baby, I know what you know, we can feel it  
  
<sup>G</sup> And all our pieces fall, right into place  
<sup>G</sup> Getting caught up in a moment, lipstick on your face, so it goes  
<sup>G</sup> I'm yours to keep, and I'm yours to lose  
<sup>G</sup> You know I'm not a bad girl, but I do bad things with you, so it goes  
  
<sup>G</sup> Met you in a bar, all eyes on me, your illusionist  
<sup>G</sup> All eyes on us, I make all your gray days clear, and  
<sup>G</sup> I wear you like a necklace, I'm so chill but you make me jealous  
<sup>G</sup> But I got your heart, skippin', skip-skippin' when I'm gone  
  
<sup>G</sup> 'Cause we breakdown a little, but when you get me alone, it's so simple  
<sup>G</sup> 'Cause baby, I know what you know, we can feel it

<sup>G</sup> And all our pieces fall, right into place  
<sup>G</sup> Getting caught up in a moment, lipstick on your face, so it goes  
<sup>G</sup> I'm yours to keep, and I'm yours to lose  
<sup>G</sup> You know I'm not a bad girl, but I do bad things with you, so it goes  
  
<sup>G</sup> Come here, dressed in black now, so, so, so it goes  
<sup>G</sup> Scratches down your back now, so, so, so it goes  
  
<sup>G</sup> You did a number on me, but honestly baby, who's counting?  
<sup>G</sup> I did a number on you, but honestly baby, who's counting?  
<sup>G</sup> You did a number on me, but honestly baby, who's counting?  
<sup>G</sup> Who's counting? --- (one, two, three)  
  
<sup>G</sup> And all our pieces fall (pieces fall), right into place  
<sup>G</sup> Get caught up in a moment (caught up, caught up), lipstick on your face, so it goes  
<sup>G</sup> I'm yours to keep (oh), and I'm yours to lose (baby)  
<sup>G</sup> You know I'm not a bad girl but I, I do bad things with you, so it goes  
  
<sup>G</sup> Come here, dressed in black now, so, so, so it goes  
<sup>G</sup> Scratches down your back now, so, so, so it goes  
<sup>G</sup> Come here, dressed in black now, so, so, so it goes  
<sup>G</sup> Scratches down your back now, so, so, so it goes
