

# Taylor Swift - So Long, London

tom:  
[Intro]

So (So) long (Long), London (London)  
So (So) long (Long), London (London)  
So (So) long (Long), London (London)

( Gbm Bm E A )  
[Primeira Parte]

I saw in my mind fairy  
lights through the mist

I kept calm and carried  
The weight of the rift

Pulled him in tighter

Each time he was driftin' away

My spine split from  
Carrying us up the hill

Wet through my clothes  
Weary bones caught the chill

I stopped tryna make him laugh

Stopped tryna drill the safe  
[Refrão]

Thinkin'

"How much sad did you think I had

Did you think I had in me?"

Oh, the tragedy

So long, London

You'll find someone  
[Segunda Parte]

I didn't opt in to be your odd man out

I founded the club  
She's heard great things about

I left all I knew, you left me at the  
house by the Heath

I stopp'd CPR, after all, it's no use

The spirit was gon?  
We would never come to

And I'm pissed off you let me give you

all that youth for free  
[Refrão 2]

For so long, London

Stitches undone

Two graves, one gun

I'll find someone  
[Ponte]

And you say I abandoned the ship

But I was going down with it

My white-knuckle dying grip

Holding tight to your quiet resentment  
And my friends said

It isn't right to be scared

Every day of a love affair

Every breath feels like rarest air

When you're not sure if he  
Wants to be there  
[Refrão 3]

So how much sad did you

think I had

Did you think I had in me?

How much tragedy?

Just how low did you

Think I'd go 'fore I'd

Self-implode?

'Fore I'd have to go be free?  
[Terceira Parte]

You swore that you loved me  
But where were the clues?

I died on the altar  
Waitin' for the proof

You sacrificed us to the

Gods of your bluest days

And I'm just getting

Color back into my face

I'm just mad as hell

'Cause I loved this place for  
[Refrão Final]

So (so) long (long), London (London)

Had (Had) a (a) good (good) run (run)

A mo\_ment (moment) of warm sun (sun)

But I'm (I'm) not (not) the (the) one  
(One)

So (So) long (long), London (London)

Stitches (stitches) undone (undone)

Two (two) graves (graves) one gun (gun)

You'll (you'll) find (find) someone
