

Taylor Swift - Tell Me Why

Tom: G

I took a chance, I took a shot
 And you might think I'm bulletproof, but I'm not
 You took a swing, I took it hard
 And down here from the ground I see who you are
 I'm sick and tired of your attitude
 I'm feeling like I don't know you
 You tell me that you love me then cut me down
 And I need you like a heartbeat
 But you know you got a mean streak
 Makes me run for cover when you're around
 And here's to you and your temper
 Yes, I remember what you said last night
 And I know that you see what you're doing to me
 Tell me why
 You could write a book on
 How to ruin someones perfect day
 Well I get so confused and frustrated
 Forget what I'm trying to say, oh
 I'm sick and tired of your reasons
 I got no one to believe in
 You tell me that you want me, then push me around

And I need you like a heartbeat
 But you know you got a mean streak
 Makes me run for cover when you're around
 And here's to you and your temper
 Yes, I remember what you said last night
 And I know that you see what you're doing to me
 Tell me why
 Why... do you have to make me feel small
 So you can feel whole inside
 Why... do you have to put down my dreams
 So you're the only thing on my mind
 I'm sick and tired of your attitude
 I'm feeling like I don't know you
 You tell me that you want me then cut down
 I'm sick and tired of your reasons
 I got no one to believe in
 You ask me for my love then you push me around
 Here's to you and your temper
 Yes, I remember what you said last night
 And I know that you see what you're doing to me
 Tell me why, why, tell me why, ohh
 I take a step back, let you go
 I told you I'm not bulletproof, now you know
