

Taylor Swift - ??Thank You Aimee

tom:
[Intro] C G C G

[Primeira Parte]

C G
When I picture my hometown
D
There's a bronze spray-tanned
Statue of you
C G
And a plaque underneath it
C G
That threatens to push me down the stairs

At our school

[Pré-Refrão]

C
And it was always the
G D
Same searing pain

But I dreamed that one day

I could say

[Refrão]

G
All that time you were throwin'
C D
Punches, I was buildin' somethin'
And I can't forgive
G
The way you made me feel
C
Screamed "Fuck you, Aimee" to the night sky
D
As the blood was gushin'

But I can't forget
C G C G
The way you made me heal

[Segunda Parte]

C G
And it wasn't a fair fight
D
Or a clean kill
Each time that Aimee stomped across my grav?
C G
And then she wrote h?adlines
C
In the local paper
G
Laughing at each baby step I'd take

[Pré-Refrão]

C
And it was always the
G D
Same searing pain

But I dreamed that one day

I could say

[Refrão]

G
All that time you were throwin'
C D

Punches, I was buildin' somethin'

And I can't forgive
G
The way you made me feel

C
Screamed "Fuck you, Aimee" to the night sky
D
As the blood was gushin'

But I can't forget
G
The way you made me heal

[Pós-Refrão]

C D
Everyone knows that my mother is a saintly woman
But she used to say she wished that you were dead

G C
So I pushed each boulder up that hill
D
Your words were still just ringin' in my head
Ringin' in my head

[Ponte]

Em Am
I wrote a thousand songs that you find uncool
G D
I built a legacy which you can't undo
Em
But when I count the scars
Am
There's a moment of truth
G
That there wouldn't be this
D C G C G
If there hadn't been you

[Terceira Parte]

C G
And maybe you've reframed it
D
And in your mind

You never beat my spirit black and blue
C G
I don't think you've changed much
C

And so I changed your name
G
And any real defining clues

C G
And one day, your kid comes home singin'
D
A song that only us two is gonna know is about you
'Cause?

[Refrão]

G
All that time you were throwin'
C D
Punches, I was buildin' somethin'

And I can't forgive
G
The way you made me feel

C
Screamed "Fuck you, Aimee" to the night sky
D
As the blood was gushin'

But I can't forget
G

The way you made me heal

[Post-Refrão]

Everyone knows that my mother is a saintly woman

But she used to say she wished that you were dead

So I pushed each boulder up that hill

Your words were still just ringin' in my head

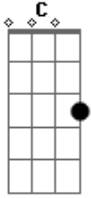

Ringin' in my head

[Final]

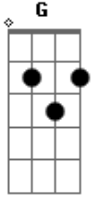

Thank you, Aimee
