

Taylor Swift - The Black Dog

```
[Primeira Parte]
I am someone who until recent events
You shared your secrets with
And your location, you forgot to turn it off
And so I watch as you walk
Into some bar called The Black Dog
And pierce new holes in my heart
You forgot to turn it off
[Pré-Refrão]
And it hits me
I just don't understand
[Refrãol
How you don't miss me
In The Black Dog, when someone plays The Starting Line
And you jump up, but she's too young to know this song
That was intertwined in the magic fabric of our dreaming
    G Em F C
Old habits die screaming
[Segunda Parte]
I move through the world with a heart broken
My longing state unspoken
             G
And I may never open up th? way I did for you
And all of those best laid plans
You said I needed a brav? man
Then proceeded to play him
Until I believed it too
[Pré-Refrão]
```

```
And it kills me
I just don't understand
[Refrão]
How you don't miss me $\sf G$
In the shower, and remember how my rain-soaked body
Was shaking, do you hate me?
Was it hazing for a cruel fraternity?
   G Em F
I pledged, and I still mean it
C G Em F Am
Old habits die screaming
[Ponte]
Six weeks of breathing clean air
I still miss the smoke
Were you making fun of me?
With some esoteric joke?
Now I wanna sell my house
And set fire to all my clothes
And hire a priest to come and exorcise my demons
[Refrão]
And I hope it's shitty in The Black Dog
When someone plays the starting line and you jump up
                        Em
But she's too young to know this song
That was intertwined in the tragic fabric of my dreaming C _{\rm C} _{\rm Em} _{\rm F}
This tail between your legs, you're leaving
[Final]
C G
             Em
I still can't believe it
```

'Cause old habits die screaming
