

Taylor Swift - The Black Dog X Haunted

tom:

C

Intro: C

[Primeira Parte]

I am someone who until recent events

You shared your secrets with

And your location, you forgot to turn it off

And so I watch as you walk into some bar called The Black Dog

And pierce new holes in my heart

You forgot to turn it off

And it hits me, I just don't understand

[Refrão]

How you don't miss me in The Black Dog

When someone plays The Starting Line

And you jump up but she's too young

To know this song that was intertwined

In the magic fabric of our dreaming

Old habits die screaming

(C)

[Segunda Parte]

You and I walk a fragile line

I have known it all this time

But, I never thought I'd live to see it break

It's getting dark and its all too quiet

And I can't trust anything now

And it's coming over you like it's all a big mistake

[Pré-Refrão]

Oh, holding my breath

Won't lose you again

Something's made your eyes go cold

[Refrão]

Come on, come on

Don't leave me like this

I thought I had you figured out

Something's gone terribly wrong

You're all I wanted

Come on, come on

Don't leave me like this

I thought I had you figured out

Can't breathe whenever you're gone

Can't turn back now

I'm haunted

(F C G C)

[Ponte]

I know

I know

I just know

You're not gone

You can't be gone

[Ponte]

Six weeks of breathing clean air, I still miss the smoke

Were you making fun of me with some esoteric joke?

Now I wanna sell my house and set fire to all my clothes

And hire a priest to come and exorcise my demons

Even if I die screaming

And I hope you hear it

[Refrão]

And I hope it's shitty in The Black Dog

When someone plays The Starting Line

And you jump up but she's too young

To know this song that was intertwined

In the tragic fabric of our dreaming

'Cause tail between your legs, you're lea-ving

I still can't believe it

'Cause old habits die screaming

[Final]

Come on, come on

Don't leave me like this

I thought I had you figured out

Something's gone terribly wrong

You're all I wanted

Come on, come on

Don't leave me like this

I thought I had you figured out

Can't breathe whenever you're gone

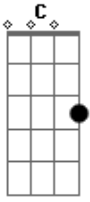

Can't turn back now

I'm ^C haunted

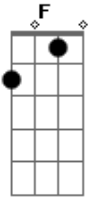

(G C F G)

'Cause old habits die ^C screaming
