

# Taylor Swift - The Bolter

tom:  
Intro: C G F C

We were in the backseat  
Drunk on something stronger than the drinks in the bar  
"I rent a place on Cornelia Street"  
I say casually in the car  
We were a fresh page on the desk  
Filling in the blanks as we go  
As if the street lights pointed in an arrow head  
Leading us home  
And I hope I never lose you, hope it never ends  
I'd never walk Cornelia Street again  
That's the kinda heartbreak time could never mend  
I'd never walk Cornelia Street again  
And baby, I get mystified by how this city screams your name  
And baby, I'm so terrified of if you ever walk away  
I'd never walk Cornelia Street again  
I'd never walk Cornelia Street again  
[The bolter]  
By all accounts, she almost drowned  
When she was six in frigid water  
And I can confirm she made  
A curious child, ever reviled  
By everyone except her own father  
With a quite bewitching face  
Splendidly selfish, charmingly helpless  
Excellent fun 'til you get to know her  
Then she runs like it's a race  
Behind her back, her best mates laughed  
And they nicknamed her "The Bolter"  
[Refrão]  
Started with a kiss  
"Oh, we must stop meeting like this"  
But it always ends up with a town car speeding  
Out the drive one evening  
Ended with the slam of a door  
Then he'll call her a whore  
Wish he wouldn't be sore

But as she was leaving  
It felt like breathing  
All her fuckin' lives  
Flashed before her eyes  
It feels like the time  
She fell through the ice  
Then came out alive  
[Ponte]  
She's been many places with  
Men of many faces  
First, they're off to the races  
And she's laughing drawin' aces  
But, none of it is changin'  
That the chariot is waitin'  
Hearts are hers for the breakin'  
There's an escape in escaping  
(Cornelia street X the bolter)  
I hope I never lose you  
I'd never walk Cornelia Street again  
Oh, never again  
And baby, I get mystified by how this city screams your name  
And baby, I'm so terrified of if you ever walk away  
I'd never walk Cornelia Street again  
I'd never walk Cornelia Street again  
Started with a kiss  
"Oh, we must stop meeting like this"  
But it always ends up with a town car speeding  
Out the drive one evenin'  
Ended with the slam of a door  
But she's got the best stories  
You can be sure  
That as she was leaving  
It felt like freedom  
(Cornelia street X the bolter)  
I don't wanna lose you, hope it never ends  
But as she was leaving, it felt like freedom  
I don't wanna lose you, hope it never ends

But as she was leaving, it felt like freedom
