

Taylor Swift - The Bolter

tom:
Intro: C G F C

We were in the backseat
Drunk on something stronger than the drinks in the bar
"I rent a place on Cornelia Street"
I say casually in the car
We were a fresh page on the desk
Filling in the blanks as we go
As if the street lights pointed in an arrow head
Leading us home
And I hope I never lose you, hope it never ends
I'd never walk Cornelia Street again
That's the kinda heartbreak time could never mend
I'd never walk Cornelia Street again
And baby, I get mystified by how this city screams your name
And baby, I'm so terrified of if you ever walk away
I'd never walk Cornelia Street again
I'd never walk Cornelia Street again
[The bolter]
By all accounts, she almost drowned
When she was six in frigid water
And I can confirm she made
A curious child, ever reviled
By everyone except her own father
With a quite bewitching face
Splendidly selfish, charmingly helpless
Excellent fun 'til you get to know her
Then she runs like it's a race
Behind her back, her best mates laughed
And they nicknamed her "The Bolter"
[Refrão]
Started with a kiss
"Oh, we must stop meeting like this"
But it always ends up with a town car speeding
Out the drive one evening
Ended with the slam of a door
Then he'll call her a whore
Wish he wouldn't be sore

But as she was leaving
It felt like breathing
All her fuckin' lives
Flashed before her eyes
It feels like the time
She fell through the ice
Then came out alive
[Ponte]
She's been many places with
Men of many faces
First, they're off to the races
And she's laughing drawin' aces
But, none of it is changin'
That the chariot is waitin'
Hearts are hers for the breakin'
There's an escape in escaping
(Cornelia street X the bolter)
I hope I never lose you
I'd never walk Cornelia Street again
Oh, never again
And baby, I get mystified by how this city screams your name
And baby, I'm so terrified of if you ever walk away
I'd never walk Cornelia Street again
I'd never walk Cornelia Street again
Started with a kiss
"Oh, we must stop meeting like this"
But it always ends up with a town car speeding
Out the drive one evenin'
Ended with the slam of a door
But she's got the best stories
You can be sure
That as she was leaving
It felt like freedom
(Cornelia street X the bolter)
I don't wanna lose you, hope it never ends
But as she was leaving, it felt like freedom
I don't wanna lose you, hope it never ends

But as she was leaving, it felt like freedom
