

Taylor Swift - The Great War

tom:
 Capostraste na 3ª casa

My knuckles were bruised like violets
 Sucker punching walls, cursed you as I sleep talked
 Spineless in my tomb of silence
 Tore your banners down, took the battle underground
 And maybe it was ego swinging
 Maybe it was her
 Flashes of the battle come back to me in a blur

All that blood shed, crimson clover
 Uh-huh, sweet dream was over
 My hand was the one you reached for
 All throughout the Great War

Always remember
 Uh-huh, tears on the letter
 I vowed not to cry anymore
 If we survived the Great War

You drew up some good faith treaties
 I drew curtains closed, drank my poison all alone
 You said I have to trust more freely
 But diesel is desire, you were playing with fire
 And maybe it's the past that's talking
 Screaming from a crypt
 Telling me to punish you for things you never did
 So I justified it

All that blood shed, crimson clover
 Uh-huh, the bombs were close and
 My hand was the one you reached for
 All throughout the Great War
 Always remember

Uh-huh, the burning embers
 I vowed not to fight anymore
 If we survived the Great War

Uh-huh
 Uh-huh

It turned into something bigger
 Somewhere in the haze got a sense I'd been betrayed

Your finger on my hairpin triggers
 Soldier down on that icy ground
 Looked up at me with honor and truth
 Broken and blue, so I called off the troops
 That was the night I nearly lost you
 I really thought I'd lost you

We can plant a memory garden
 Say a solemn prayer, place a poppy in my hair
 There's no morning glory, it was war, it wasn't fair
 And we will never go back

To that bloodshed, crimson clover
 Uh-huh, the worst was over
 My hand was the one you reached for
 All throughout the Great War

Always remember
 Uh-huh, we're burned for better
 I vowed I will always be yours
 'Cause we survived the Great War
 Uh-huh
 Uh-huh

I'll always be yours
 'Cause we survived the Great War
 Uh-huh
 I vowed I will always be yours
