

Taylor Swift - The Last Time

Tom: D
Intro: G A Bm D G A Bm D

G
Found myself at your door
A
Just like all those times before
Bm
I'm not sure how I got there
D
All roads they lead me here

G
I imagine you are home
A
In your room, all alone
Bm
And you open your eyes into mine
D
And everything feels better

G A Bm
Right before your eyes
D G
I'm breaking no past
A Bm
No reasons why
D A G
Just you and me

D Bm
This is the last time I'm asking you this
A G
Put my name on the top of your list
D Bm
This is the last time I'm asking you why
A G
You break my heart in the blink of an eye, eye, eye

G
You find yourself at my door
A
Just like all those times before
Bm
You wear your best apology
D
But I was there to watch you leave

G
And all the times I let you in
A
Just for you to go again
Bm
Disappear when you come back
D
Everything is better

G A Bm
And right before your eyes
D G
I'm aching, run fast
A Bm
Nowhere to hide
D A G
Just you and me

D Bm
This is the last time I'm asking you this
A G
Put my name on the top of your list
D Bm
This is the last time I'm asking you why
A G
You break my heart in the blink of an eye, eye, eye
