

Taylor Swift - The Moment I Knew

Tom: G

Intro: C G D

You should've been there,
Should've burst through the door
With that "Baby I'm right here" smile
And it would've felt like
A million little shining stars had just aligned
And I would've been so happy

Christmas lights glisten
I've got my eye on the door
Just waiting for you to walk in
But the time is ticking
People ask me how I've been, as I
Comb back through my memory
How you said you'd be here
You said you'd, be here

And it was like slow motion
Standing there in my party dress
In red lipstick
With no-one to impress
And they're all laughing
As I'm looking around the room
But there was one thing missing
D -once
And that was the moment I knew

And the hours pass by,
Now I just want to be alone,
But your close friends always seem to know
When there's something really wrong
So they follow me down the hall
And there in the bathroom
I try not to fall apart
And the sinking feeling starts

As I say hopelessly "He said he'd be here"

And it was like slow motion
Standing there in my party dress
In red lipstick
With no-one to impress
And they're all laughing
And asking me about you
But there was one thing missing
And that was the moment I knew

What do you say when tears are
Streaming down your face in front of
Everyone you know?
And what do you do
When the one who means the most to you
D|-once
Is the one who didn't show?

You should've been here,
And I would've been so happy

And it was like slow motion
Standing there in my party dress
In red lipstick
With no-one to impress
And they're all sitting around me singing
"Happy Birthday To You"

But there was one thing missing
And that was the moment I knew

Oh, ohh, ohh, ohh, I knew
Oh, ohh, ohh, ohh,

You called me later
And said, "I'm sorry I didn't make it"
And I said, "I'm sorry too"
And that was the moment I knew
