

# Taylor Swift - The Moment I Knew

Tom: G

Intro: C G D

You should've been there,  
Should've burst through the door  
With that "Baby I'm right here" smile  
And it would've felt like  
A million little shining stars had just aligned  
And I would've been so happy

Christmas lights glisten  
I've got my eye on the door  
Just waiting for you to walk in  
But the time is ticking  
People ask me how I've been, as I  
Comb back through my memory  
How you said you'd be here  
You said you'd, be here

And it was like slow motion  
Standing there in my party dress  
In red lipstick  
With no-one to impress  
And they're all laughing  
As I'm looking around the room  
But there was one thing missing  
D -once  
And that was the moment I knew

And the hours pass by,  
Now I just want to be alone,  
But your close friends always seem to know  
When there's something really wrong  
So they follow me down the hall  
And there in the bathroom  
I try not to fall apart  
And the sinking feeling starts

As I say hopelessly "He said he'd be here"

And it was like slow motion  
Standing there in my party dress  
In red lipstick  
With no-one to impress  
And they're all laughing  
And asking me about you  
But there was one thing missing  
And that was the moment I knew

What do you say when tears are  
Streaming down your face in front of  
Everyone you know?  
And what do you do  
When the one who means the most to you  
D|-once  
Is the one who didn't show?

C G D

You should've been here,  
And I would've been so happy

And it was like slow motion  
Standing there in my party dress  
In red lipstick  
With no-one to impress  
And they're all sitting around me singing  
"Happy Birthday To You"

But there was one thing missing  
And that was the moment I knew

Oh, ohh, ohh, ohh, I knew  
Oh, ohh, ohh, ohh,

You called me later  
And said, "I'm sorry I didn't make it"  
And I said, "I'm sorry too"  
And that was the moment I knew
