

Taylor Swift - The Other Side Of The Door

Tom: A

(com acordes na forma de Capostrate na 2ª casa G)

In the heat of the fight I walked away
 Ignoring words that you were saying trying to make me stay

I said this time I've had enough
 And you've called a hundred times but I'm not picking up
 Cause I'm so mad I might tell you that it's over
 But if you look a little closer

I said leave but all I really want is you
 To stand outside my window throwing pebbles
 Screaming I'm in love with you
 Wait there in the pouring rain, come back for more
 And don't you leave cause I know
 All I need is on the other side of the door

(D A Em G)

Me and my stupid pride are sitting here alone
 Going through the photographs, staring at the phone

I keep going back over things we both said
 And I remember the slamming door

And all the things that I misread
 So babe, if you know everything
 Tell me why you couldn't see
 When I left I wanted you to chase after me

I said leave but all I really want is you
 To stand outside my window throwing pebbles

Screaming I'm in love with you
 Wait there in the pouring rain, come back for more

And don't you leave cause I know
 All I need is on the other side of the door

And I'll scream out the window
 I can't even look at you
 I don't need you

But I do, I do, I do
 I'll say there's nothing you can say
 To make this right again

I mean it, I mean it
 What I mean is

I said leave but baby all I want is you
 To stand outside my window throwing pebbles
 Screaming I'm in love with you

Wait there in the pouring rain, come back for more
 And don't you leave cause I know
 All I need is on the other side of the door

With your face and your beautiful eyes
 And the conversation with the little white lies
 And the faded picture of a beautiful night
 You carried me from your car up the stairs
 And I broke down crying, was she worth this mess
 After everything and that little black dress
 After everything I must confess
 I need you
