

Taylor Swift - The Prophecy

tom:
 Hand on the throttle
 Thought I caught lightning in a bottle
 Oh, but it's gone again
 And it was written
 I got cursed like Eve got bitten
 Oh, was it punishment
 Pad around when I get home
 I guess a lesser woman would've lost hope
 A greater woman wouldn't beg
 But I looked to the sky and said
 Please
 I've been on my knees
 Change the prophecy
 Don't want money
 Just someone who wants my company
 Let it once be me
 Who do I have to speak to?
 About if they can redo
 The prophecy?
 Cards on th? table
 Mine play out like fools in a fabl?
 Oh, it was sinking in
 Slow is the quicksand
 Poison blood from the wound of the pricked hand
 Oh, still I dream of him
 Please
 I've been on my knees
 Change the prophecy
 Don't want money
 Just someone who wants my company
 Let it once be me
 Who do I have to speak to?
 About if they can redo
 The prophecy?
