

## **Taylor Swift - The Prophecy**

```
tom:
 Hand on the throttle
Thought I caught lightning in a bottle
Oh, but it's gone again
 And it was written
I got cursed like Eve got bitten
                Bh
Oh, was it punishment
 Pad around when I get home
I guess a lesser woman would've lost hope
A greater woman wouldn't beg
But I looked to the sky and said
Please
I've been on my knees
          Bh
Change the prophecy
Don't want money
Just someone who wants my company
Let it once be me
Who do I have to speak to?
About if they can redo
The prophecy?
 Cards on th? table
Mine play out like fools in a fabl?
Oh, it was sinking in
 Slow is the quicksand
Poison blood from the wound of the pricked hand
Oh, still I dream of him
Please
                Fh
I've been on my knees
Change the prophecy
Don't want money
Just someone who wants my company
Let it once be me
Who do I have to speak to?
About if they can redo
The prophecy?
```

```
And I sound like an infant
Feelin' like the very last drops of an ink pen
A greater woman stays cool
 But I howl like a wolf at the Moon
 And I look unstable
Gathered with a coven 'round a sorceress' table
A greater woman has faith
But even statues crumble if they're made to wait
               Bb
I'm so afraid I sealed my fate
No sign of soulmates
          Cm
I'm just a paperweight
In shades of greige
Spendin' my last coin so someone will tell me
        Cm
It'll be okay
Bb F
Ooh, Ooh
Cm Gm Bb
Ooh,
Please
I've been on my knees
Change the prophecy
Don't want money
Just someone who wants my company
              Eb
Let it once be me
Who do I have to speak to?
About if they can redo
         Cm Gm
The prophecy?
Who do I have to speak to
 To change the prophecy?
 Hand on the throttle
Thought I caught lightning in a bottle

A greater woman wouldn't beg
 But I looked to the sky and said
