

Taylor Swift - The Smallest Man Who Ever Lived

tom: [Primeira Parte]

Bb **Eb** **F**
 Was any of it true
Bb **Eb** **F**
 Gazing at me, starry-eyed
Bb **Eb** **F**
 In your Jehovah's witness suit
Bb **Eb** **F**
 Who the fuck was that guy?
Gm **Eb** **F**
 You tried to buy some pills
Gm **Eb** **F**
 From a friend of friends of mine
Gm **Eb** **F**
 They just ghosted you
Gm **Eb** **F**
 Now you know what it feels like

[Refrão]

Gm **Eb** **F**
 And I don't even want you back, I just want to know
Gm **Eb** **F**
 If rusting my sparkling summer was the goal
Gm **Eb** **F**
 And I don't miss what we had, but could someone give
Gm **Eb** **F**
 A message to the smallest man who ever lived?

[Segunda Parte]

Bb **Eb** **F**
 You hung me on your wall
Bb **Eb** **F**
 Stabbed me with your pushpins
Bb **Eb** **F**
 In public showed me off
Bb **Eb** **F**
 Then sank in stoned oblivion
Gm **Eb** **F**
 Cause once your queen had come
Gm **Eb** **F**
 You treat her like an also-ran
Gm **Eb** **F**
 You didn't measure up
Gm **Eb** **F**
 In any measure of a man

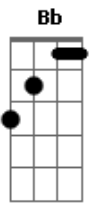

[Refrão]

Gm **Eb** **F**
 And I don't even want you back, I just want to know
Gm **Eb** **F**
 If rusting my sparkling summer was the goal
Gm **Eb** **F**
 And I don't miss what we had, but could someone give
Gm **Eb** **F**
 A message to the smallest man who ever lived?

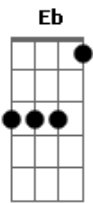

[Ponte]

Bb **Gm**
 Were you sent by someone who wanted me dead?
F **Eb**
 Did you sleep with a gun underneath our bed?
Bb
 Were you writing a book?
Gm
 Were you a sleeper cell spy?
F **Eb**
 In 50 years, will all this be declassified?
Bb
 You'll confess why you did it
Gm
 And I'll say good riddance
F **Eb**
 'Cause it wasn't sexy once it wasn't forbidden
Bb
 I would've died for your sins
Gm
 Instead, I just died inside
F **Eb**
 And you deserve prison, but you won't get time
Bb **Gm**
 You'll slide into inboxes and slip through the bars
F **Eb**
 You crashed my party and your rental car
Bb
 You said normal girls were boring
Gm
 But you were gone by the morning
F **Eb**
 You kicked out the stage lights but you're still performing
Bb
 And in plain sight, you hid
Gm
 But you are what you did
F **Eb**
 And I'll forget you, but I will never forgive
Bb
 The smallest man who ever lived
