Tom: E

(com acordes na forma de Capotraste na 2ª casa Intro: 2x: A Bm D2 G

D A G
I used to think one day we'd tell the story of us
How we met and the sparks flew instantly
People would say, "They're the lucky ones"
D A G
I used to know my place was a spot next to you
Now I'm searching the room for an empty seat
'Cause lately I don't even know what page you're on
A Bm
Oh, a simple complication
D A
Miscommunications lead to fall out
G
So many things that I wish you knew
A
So many walls up I can't break through
D A Em
Now I'm standing alone in a crowded room
G D
And we're not speaking
A Em
And I'm dying to know is it killing you
G
Like it's killing me?
Bm A D
I don't know what to say since a twist of fate
G
When it all broke down
D A G
And the story of us looks a lot like a tragedy now- Next chapter
(A Bm D2 G)
D A
How'd we end up this way?
G
See me nervously pulling at my clothes
D
And trying to look busy
A G
And you're doing your best to avoid me
D A G
I'm starting to think one day I'll tell the story of us
D
How I was losing my mind when I saw you here
A G
But you held your pride like you should have held me
A Bm
Oh, we're scared to see the ending
D A
Why are we pretending this is nothing?
G

I'd tell you I miss you but I don't know how
A
I've never heard silence quite this loud
D A Em
Now I'm standing alone in a crowded room
G D
And we're not speaking
A Em
And I'm dying to know is it killing you
G
Like it's killing me?
Bm A D
I don't know what to say since a twist of fate

D G
The battle's in your hands now
(G)
But I would lay my armor down
