

Taylor Swift - Tied Together With a Smile

Tom: D

Tuning: Standard D G Em A D

D G A x2

Seems the only one who doesn't see your beauty
 Is the face in the mirror looking back at you
 You walk around here thinking you're not pretty
 But that's not true, cause I know you?

Hold on, baby, you're losing it
 The water's high, you're jumping into it
 And letting go... and no one knows
 You cry, but you don't tell anyone
 That you might not be the golden one
 And you're tied together with a smile
 But you're coming undone

I guess it's true that love was all you wanted
 Cause you're giving it away like it's extra change
 Hoping it will end up in his pocket
 But he leaves you out like a penny in the rain
 Oh, cause it's not his price to pay

Not his price to pay

Hold on, baby, you're losing it
 The water's high, you're jumping into it
 And letting go... and no one knows
 You cry, but you don't tell anyone
 That you might not be the golden one
 And you're tied together with a smile
 But you're coming undone

Hold on, baby, you're losing it
 The water's high, you're jumping into it
 And letting go... and no one knows
 You cry, but you don't tell anyone
 That you might not be the golden one
 And you're tied together with a smile
 But you're coming undone

You're tied together with a smile
 But you're coming undone? oh
 Goodbye, baby
 With a smile, baby, baby
