Capostrate na 3ª casa

Intro: C G Am G F

[Primera Parte]

C
Down the block, there's an antique shop
G
And something in my head said, "Stop, " so I walked in
Am G
On the counter was a cardboard box
F
And the sign said, "Photos: twenty-five cents each"
C
Black and white, saw a '30s bride
G
And two lovers laughin' on the porch of their first house
Am G
The kinda love that you only find once in a lifetime
F
The kind you don't put down
G Am F
And that's when I called you and it's so hard to explain
G Am F
But in those photos, I saw us instead
G Am F
And, somehow, I know that you and I would've found each other
G Am F G
In another life, you still would've turned my head even if we'd met

[Refrão]

C
On a crowded street in 1944
G
And you were headed off to fight in the war
Am G
You still would've been mine
F
We would have been timeless
C
I would've read your love letters every single night
G
And prayed to God you'd be comin' home all right
Am G
And you would've been fine
F
We would have been timeless
C G F
'Cause I believe that we were supposed to find this
Am G
So, even in a different life, you still would've been mine
C
We would've been timeless

(G Am G F)

[Segunda Parte]

C
I know
G
I'm probably better off on my own
F
Than lovin' a man who
C
Didn't know what he had when he had it
C
And I see
G
The permanent damage you did to me
F
Never again, I just wish I could forget when it was magic
F
I wish it wasn't four AM, standing in the mirror
G

Saying to myself: You know you had to do it
F
I know the bravest thing I ever did was run

[Refrão]

C
Sometimes, in the middle of the night
G
I can feel you again
Am
But I just miss you
G F
And I just wish you were a better man
C
And I know why we had to say goodbye
G
Like the back of my hand
Am
But I just miss you
G F
And I just wish you were a better man
C G
A better man
Am G F
A better man

[Ponte]

G Am F
Time breaks down your mind and body
G Am F
Don't you let it touch your soul
G Am
It was like an age-old classic
F
The first time that you saw me
G Am F
The story started when you said, "Hello"

[Ponte - Better Man]

C
I wish you were a better man
G
I wonder what we would've become
F
If you were a better man
G
We might still be in love
C
If you were a better man
G
You would've been the one
F
If you were a better man
Yeah, yeah

[Refrão Final]

C
In a crowded room a few short years ago
G
And sometimes there's no proof, you just know
Am G
You're always gonna be mine
F
We're gonna be
C
And I know why we had to say goodbye
G
Like the back of my hand
Am
But I just miss you
G F
And I just wish you were a better man
C

I'm gonna love you when our hair is turnin' gray
 We'll have a cardboard box of photos of the life we've made
 And you'll say, "Oh my, we really were timeless"
 We're gonna be timeless, timeless
 You still would've been mine

If you would've been... A better man
 We might still be in love if you were a better man
 [Final]
 Down the block, there's an antique shop
 And somethin' in my head said, "Stop" so I walked in
