

# Taylor Swift - You Are In Love

Tom: A

(com acordes na forma de Capotraste na 2ª casa Intro: G C Em C )

Verso:

G  
One look, dark room  
Meant just for you  
C  
Time moved too fast  
You played it back  
Em  
Buttons on a coat  
Die hard it joked  
C  
No proof not much  
But you saw enough  
G  
Small talk, he drives  
Coffee at midnight  
C  
Polite reflects  
The chain on your neck  
Em  
He says look up  
And your shoulders brush  
C  
No proof, one touch  
You felt enough  
Refrão:

G  
You can hear it in the silence, silence  
C  
You can feel it on the way home, way home  
Em  
You can see it with the lights out, lights out  
C  
You are in love, true love  
G  
You are in love

Verso:

G  
Morning, his place  
Burn toast, sunday  
C  
You keep his shirt  
He keeps his word  
Em  
And for once you let go  
Of your fears and your ghosts

C  
One step, not much, but it said enough  
G  
You kissed on sidewalks  
You fight and you talk  
C  
One night he wakes, strange look on his face  
Em  
Pauses, then says, you're my best friend  
C  
And you knew what it was, he is in love  
Refrão:

G  
You can hear it in the silence, silence  
C  
You can feel it on the way home, way home  
Em  
You can see it with the lights out, lights out  
C  
You are in love, true love  
G  
So it goes

Ponte:

G  
You two are dancing in a snow ball, go round and round  
C  
And he keeps the picture of you in his office downtown  
Em  
You understand now why they lost their minds and fought the wards  
C  
And why I've spent my whole life try to put it in words  
Refrão:

G  
'Cause you can hear it in the silence  
C  
You can feel it on the way home  
Em  
You can see it with the lights out  
C  
You are in love, true love  
G  
You are in love  
G  
You can hear it in the silence, silence  
C  
You can feel it on the way home, way home  
Em  
You can see it with the lights out, lights out  
C  
You are in love, true love  
G  
You are in love  
G  
You can hear it in the silence, silence  
C  
You can feel it on the way home, way home  
Em  
You can see it with the lights out, lights out  
C  
You are in love, true love  
G  
You are in love
