

Taylor Swift - You Are In Love

Tom: A

(com acordes na forma de Capotraste na 2ª casa Intro: G C Em C)

Verso:

G
One look, dark room
Meant just for you
C
Time moved too fast
You played it back
Em
Buttons on a coat
Die hard it joked
C
No proof not much
But you saw enough
G
Small talk, he drives
Coffee at midnight
C
Polite reflects
The chain on your neck
Em
He says look up
And your shoulders brush
C
No proof, one touch
You felt enough
Refrão:

G
You can hear it in the silence, silence
C
You can feel it on the way home, way home
Em
You can see it with the lights out, lights out
C
You are in love, true love
G
You are in love

Verso:

G
Morning, his place
Burn toast, sunday
C
You keep his shirt
He keeps his word
Em
And for once you let go
Of your fears and your ghosts

C
One step, not much, but it said enough
G
You kissed on sidewalks
You fight and you talk
C
One night he wakes, strange look on his face
Em
Pauses, then says, you're my best friend
C
And you knew what it was, he is in love
Refrão:

G
You can hear it in the silence, silence
C
You can feel it on the way home, way home
Em
You can see it with the lights out, lights out
C
You are in love, true love
G
So it goes

Ponte:

G
You two are dancing in a snow ball, go round and round
C
And he keeps the picture of you in his office downtown
Em
You understand now why they lost their minds and fought the wards
C
And why I've spent my whole life try to put it in words
Refrão:

G
'Cause you can hear it in the silence
C
You can feel it on the way home
Em
You can see it with the lights out
C
You are in love, true love
G
You are in love
G
You can hear it in the silence, silence
C
You can feel it on the way home, way home
Em
You can see it with the lights out, lights out
C
You are in love, true love
G
You are in love
G
You can hear it in the silence, silence
C
You can feel it on the way home, way home
Em
You can see it with the lights out, lights out
C
You are in love, true love
G
You are in love
