

# Taylor Swift - You're On Your Own, Kid

tom:  
 D (forma dos acordes no tom de C )  
 Capotraste na 2ª casa

Summer went away, still the yearning stays  
 I play it cool with the best of them  
 I wait patiently, he's gonna notice me  
 It's okay, we're the best of friends  
 Anyway  
 I hear it in your voice, you're smokin' with your boys  
 I touch my phone as if it's your face  
 I didn't choose this town, I dream of getting out  
 There's just one who could make me stay  
 All my days  
 From sprinkler splashes to fireplace ashes  
 I waited ages to see you there  
 I search the party of better bodies  
 Just to learn that you never cared  
 You're on your own, kid, you always have been  
 I see the great escape, so long, Daisy May  
 I picked the petals, he loves me not  
 Something different bloomed, writing in my room  
 I play my songs in the parking lot  
 I'll run away  
 From sprinkler splashes to fireplace ashes

I called a taxi to take me there  
 I search the party of better bodies  
 Just to learn that my dreams aren't rare  
 You're on your own, kid, you always have been  
 ( F G C Am )  
 ( F G C Am )  
 ( F G )  
 From sprinkler splashes to fireplace ashes  
 I gave my blood, sweat and tears for this  
 I hosted parties and starved my body  
 Like I'd be saved by a perfect kiss  
 The jokes weren't funny, I took the money  
 My friends from home don't know what to say  
 I looked around in a blood-soaked gown  
 And I saw something they can't take away  
 'Cause there were pages turned  
 With the bridges burned  
 Everything you lose is a step you take  
 So make the friendship bracelets  
 Take the moment and taste it  
 You've got no reason to be afraid  
 You're on your own, kid  
 Yeah, you can face this  
 You're on your own, kid  
 You always have been
