

# Tears For Fears - Change

Tom: G

You walked in to the room  
 I just had to laugh  
 The face you wore was cool  
 You were a photograph

When it's all too late  
 It's all too late

I did not have the time  
 I did not have the nerve  
 Is this what you deserve

When it's all too late  
 It's all too late

Change  
 You can change  
 Change  
 You can change

And something on your mind  
 Became a point of view  
 I lost your honesty  
 You lost the life in you

When it's all too late  
 It's all too late

We walk and talk in time  
 I walk and talk in two  
 Where does the end of me  
 Become the start of you

When it's all too late  
 It's all too late

Change  
 You can change  
 Change  
 You can change

What has happened to  
 The friend that I once knew  
 Has he gone away

[Solo] E F E F  
 E F E F

It's all too late, It's all too late

Change  
 Change  
 You can change  
 Change  
 You can change  
 Change  
 You can change  
 Change  
 You can change  
 Change  
 You can change
