

# Tears For Fears - Goodnight Song

tom:

Intro: F Em7 C  
F Em7 Am

Here on the stage the time has come  
With the strains of "Be My Angel" of rock in 2/4  
Time may keep alive that old swan song

That we've been playing forever

'Till the time may be right to say goodbye

My voice is aching, I'm tongue tired

And the sounds we are making are so

[Refrão]

Goodnight song

Played so wrong  
Blame the crowd

They scream so loud so long

( Dm C Dm C )

Get some honesty

Take the best of me and then the rest let go

In every situation with its tireless rage

Step outside your cage and let the real fool show (the real fool show)

I should have stayed 'round to break the ice

I thought about it once or twice

But nothing ever changes unless there's some pain

[Refrão]

And our... goodnight song

Played so wrong  
Blame the crowd

They scream so loud so long

Goodnight song

Played so wrong  
Blame the crowd

They scream so loud so long

( Dm C Dm C )  
( Dm C Dm C )
