

# Tears For Fears - Suffer The Children

tom:

**C**

It's a sad affair  
**C7**  
 When there's no one there  
**F C**  
 He calls out in the night

And it's so unfair  
**C7 F**  
 At least it seems that way  
**C**  
 When you gave him his life

**Bb**  
 And all this time he's been getting you down  
**F**  
 You ought to pick him up when there's no one around  
**Bb**  
 And convince him  
**F**  
 Oh just talk to him  
**Bb**  
 Cause he knows in his heart you won't be home soon  
**F**  
 And he's an only child in an only room  
**Bb**  
 And he's dependent on you  
**F**  
 Oh he's dependent on you

**C C7**  
 And it seems so strange

**F C7**  
 That at the end of the day

**C C7**  
 Making love can be so good

But the pain of birth  
**C7 F**  
 Oh what is it worth

When it don't turn out the way that it should

**Bb**  
 And all this time he's been getting you down  
**F**  
 You ought to pick him up when there's no one around  
**Bb**  
 And convince him  
**F**  
 Oh just talk to him  
**Bb**  
 Cause he knows in his heart you won't be home soon  
**F**  
 And he's an only child in an only room  
**Bb**  
 And he's dependent on you  
**F**  
 Oh he's dependent on you

**Bb**  
 La la la la la la la la la la la  
**F**  
 La la la la la la la la la la la  
**Bb**  
 La la la la la la la la la la la  
**F**  
 La la la la la la la la la la la

**Bb F**  
 Suffer, suffer the children  
**Bb F**  
 Suffer, suffer the children  
**Bb F**  
 Suffer, suffer the children
