

# Tears For Fears - The Tipping Point

tom:

Intro: **Bm** **G** **Em** **Bm**  
**Bm** **G** **Em**  
**Bm** **G** **Em**  
**Bm** **G** **Em**  
**Bm** **G** **Em**  
**Bm** **G** **Em** **Bm**

**G** **Em** **Bm**  
 You know that I can't love you more  
**G** **Em**  
 You know that I can't love you more

**Bm**  
 Silver tongue they'll soon be gone  
**G** **Em**  
 When the sunlight hits the room  
**Bm**  
 Lay down with them if you want  
**G** **Em**  
 Watch their breath and feel the cold

**Bm**  
 Raise your hand, bite your tongue  
**G** **Em**  
 Conversation is over and done  
**Bm**  
 Will you let them out?

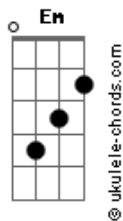

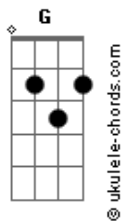

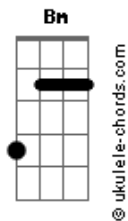

Will you let them in?  
**G** **Em**  
 Will you ever know when it's the tipping point?

The tipping point

**Bm**  
 So who's that ghost knocking at my door?  
**G** **Em**  
 You know that I can't love you more  
**Bm**  
 What's that shape climbing over my wall?  
**G** **Em** **Bm**  
 You know that I can't love you more

**G** **Em**  
 You know that I can't love you more

## Acordes

**Bm**  
 Winter done, they'll soon be gone  
**G** **Em**  
 From this unforgiving place  
**Bm**  
 To that vague and distant void  
**G** **Em**  
 Where the sunlight splits the I

**Bm**  
 Life is cruel, life is tough  
**G** **Em**  
 Life is crazy, then it all turns to dust  
**Bm**  
 Will you let them out?

Will you let them in?  
**G** **Em**  
 Will you ever know when it's the tipping point?  
**Em**  
 The tipping point, the tipping point  
**Em**  
 The tipping point, the tipping point

**Bm** **G** **Em**  
**Bm** **G** **Em**

**Bm**  
 So who's that ghost knocking at my door?

**G** **Em**  
 You know that I can't love you more

**Bm**  
 What's that shape climbing over my wall?

**G** **Em**  
 You know that I can't love you more

**Bm**  
 So who's that ghost knocking at my door?

**G** **Em**  
 You know that I can't love you more

**Bm**  
 What's that shape climbing over my wall?

**G** **Em**  
 You know that I can't love you more

**Em**  
 Love you more, love you more  
 Love you more
