

# Teen Beach Movie - Falling For Ya

Tom: D

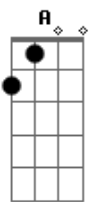

D                      A  
 The day started ordinary  
G                      A  
 Boys walking by  
 (oohh oohh)  
D                      A  
 It was the same old story  
G                      A  
 Too fresh or too shy  
 (oohh oohh)  
F#M  
 I'm not the kind  
F#M  
 To fall for a guy  
G  
 Who flashes a smile

(it goes on for miles)  
F#M  
 Don't usually swoon  
F#M                      G  
 But I'm over the moon  
 (cause he was just to cool for school)  
D  
 And now I'm falling for ya, falling for ya  
A  
 I know I shouldn't but I,  
G  
 I just can't stop myself from  
D  
 Falling for ya, falling for ya  
A  
 Can't hold on any longer  
G                      D  
 And now I'm falling for you
