I got out of my car

and looked up at the stars  
but I don't like stars  
and I don't know where you are  
and all I ever knew about falling in love was wrong

I went inside  
and fell down on my bed  
I could have hit my head on a million different things  
but it's not my time to die  
and all I ever knew about falling in love was wrong
