  Somebody broke your heart
  Under a Christmas tree
 So many fallen stars
 Give 'em back to me
 Have I been good enough
  To ask for your love?
You're the only girl I've got on my list
I write your name, I know it's foolish
But I chase the feeling
'Cause you keep me dreaming
That I could make you mine
Make you mine this season
Make you mine, make you mine
 Make you mine, make you mine this season
 Bells ring out on the street
 Snow falling at our feet
  Lights glowing in the trees
  Will you dance with me?
 Have I been good enough
  To ask for your love?
You're the only girl I've got on my list
I write your name, I know it's foolish
But I chase the feeling
'Cause you keep me dreaming
That I could make you mine
Make you mine this season

Make you mine, make you mine
  Make you mine, make you mine this season
  I put a star on the top of my tree
I just wanna make you mine
  Its light is gonna lead you straight to me
I just wanna make you mine
You're the only girl I've got on my list
I write your name, I know it's foolish
But I chase the feeling
'Cause you keep me dreaming
That I could make you mine
Make you mine this season
Deck the halls with
(Make you mine, make you mine)
Boughs of holly
(Make you mine, make you mine)
Come on, baby
(Make you mine, make you mine)
It's Christmas time
(Make you mine, make you mine this season)
You're the only girl I've got on my list
(make you mine, mine, mine)
I write your name, I know it's foolish
(make you mine, make you mine)
But I chase the feeling
'Cause you keep me dreaming
(make you mine, make you mine)
That I could make you mine
Make you mine, make you mine this season
