

# Tegan And Sara - Please Help Me

Tom: D

What if I don't do the things I need?  
 What if I don't know who I can believe?  
 What if I become all the horrible things I said that I would never be?  
 Waste my life and then never see  
 Take and take, and I never give

Oh, please help me  
 Oh, please help me

I needed a place to rest my head  
 Needed a place to make my bed  
 Wanted something better than this  
 Needed a place to rest my head  
 All the things I'll never be (I'll never be)  
 Waste my life and never see (I never see)  
 Take and take, I never give (I never give)  
 All the things I'll never be

What if I don't feel like I belong?  
 What happens to my head if I go beyond?  
 What if I become all the horrible things I swore that I would never be?  
 Waste my life, I'm never free

Take and take 'til I'm empty

Oh, please help me  
 Oh, please help me

I needed a place to rest my head  
 Needed a place to make my bed  
 Wanted something better than this  
 Needed a place to rest my head  
 All the things I'll never be (I'll never be)  
 Waste my life and never see (I never see)  
 Take and take, I never give (I never give)  
 All the things I'll never be

Who am I to disagree?  
 Who am I to fall apart?  
 I lived my life the best I could  
 Lived my life the best I could

I needed a place to rest my head  
 Needed a place to make my bed  
 Wanted something better than this  
 Needed a place to rest my head  
 All the things I'll never be (I'll never be)  
 Waste my life and never see (I never see)  
 Take and take, I never give (I never give)  
 All the things I'll never be
