                     D                        A           Bm        A
 What if I don't do the things I need?
D              A                  Bm        A
 What if I don't know who I can believe?
D             A                Bm
A
 What if I become all the horrible things I said that I would
never be?
Bm                          A
Waste my life and then never see
Bm                          A
Take and take, and I never give

         G                A
Oh, please help me
         G                A
Oh, please help me

     D              A               Bm
 I needed a place to rest my head
          G                  A
Needed a place to make my bed
D          A                Bm
Wanted something better than this
          G                  A
Needed a place to rest my head
G                           A
All the things I'll never be (I'll never be)
G                           A
Waste my life and never see (I never see)
G                           A
Take and take, I never give (I never give)
Bm          A               G
All the things I'll never be

 D                 A            Bm        A
 What if I don't feel like I belong?
D                A               Bm        A
 What happens to my head if I go beyond?
D             A                Bm
A
 What if I become all the horrible things I swore that I would
never be?
Bm                          A
Waste my life, I'm never free
Bm                          A
```

```
Take and take 'til I'm empty

         G                A
Oh, please help me
