Tegan And Sara - Stop Desire

Tom: D

D
I keep denying, begging for attention
A
Dropping hints, hoping for some tension
D
Getting tired of making all this racket
A
Waiting on you to get your ass in gear

G
I didn't wanna be so invested
A
I played it cool and then I overdressed it
G
You were there, I was tired of this
A
Nonsense when you pretend you don't

G A Bm
Get me, feel me, want me
G A Bm
Like me, love me, need me

D A
Tonight, you're fuel for my fire
G
You can't stop desire, oh oh oh oh
G
Stop desire, oh oh oh

D A
I tried, but you're fuel to my fire
G
You can't stop desire, oh oh oh, oh
Stop desire, oh oh oh, oh

D
In a minute, I'll be hoping that you're outside
A
Another second, you'll be walking on my wild side
You know I'm ready for anything to happen
Take this passion, turn it into action

Get me, feel me, want me
Like me, love me, need me
Tonight, you're fuel for my fire
You can't stop desire, oh oh oh oh
Stop desire, oh oh oh

I tried, but you're fuel to my fire
You can't stop desire, oh oh oh, oh
Stop desire, oh oh oh, oh

Right where I want you, back against the wall
Trust when I promise, never let you fall
Right where I want you, back against the wall
You can trust me, I'll never let you fall

Tonight, you're fuel for my fire
You can't stop desire, oh oh oh oh
Stop desire, oh oh oh

I tried, but you're fuel to my fire
You can't stop desire, oh oh oh, oh
Stop desire, oh oh oh, oh

Tonight, you're fuel for my fire
You can't stop desire, oh oh oh oh
Stop desire, oh oh oh oh
