Tom: **B**

E
Woke up in another lifetime
B **Gb** **E**
It's a shame it's just not right now
E
Dreaming of the coast of Carolina
B **Gb**
Dreaming all the ways that you will smile

E
Come down, come quickly
B **Gb**
Look at the lights in the big city
E
Sewers smoking what the hell
B **Gb**
Is it toxic? I can't tell
E
When they wake up twist and turn
B **Gb**
Feel my insides bubble and burn
E
Constant conversations with my self
B **Gb**
Goddamn this isn't fair
