

Telekinesis - Power Lines

Tom: **Db**

(com acordes na forma de **C**)

Capostrate na 1ª casa

First time I looked straight into her eyes
I saw the future, I saw bluer skies

Oh oh oh oh oh oh oh oh oh

Even when I'm lonely I am always surprised
All of the ways you told me to keep my eye on the

Refrão:

You and your photographic memory

You and your photographic memory

(**C Bb B C**) (4x)

I'm a broken man, I'm damaged goods

Lock me in the basement with furnace soo-o-oot

You came along in your party dress

I climbed a mountain under house arre-e-est

Refrão:

When we were kids I could swear we were power lines
Out on some journey searching for some better minds

You can't cut it out, no you can't keep it out of line

Looking for the pavement

Looking like were running out of time

And I am yours and you are mi-ine

(**C Bb B C**) (4x)

Batten down the hatches and man the sails
The war isn't over, its not even tipped the

Run down the tracks like a bat out of hell
Don't muss up your hair because were destined to

Refrão:

When I was young I thought I was a power line

When I was young I was searching for some better time
